RICHARD EVANS

Richard,

Where do I start? If I start from the beginning I'll be here all day! So, I'll try my best!! I've enjoyed all 12 years of our friendship. You've always been a very true friend. We've had a lot of great times together! Skipping, going to Chavis, getting in trouble and most of all, just being together. I guess me, you, and Crickett have been through a lot in one year, but it's been rewarding. I hope after graduation you kept in touch. We must continue our friendship and extraordinary activities together!! Keep in touch, take care and remember I'll always love you. I'll guess we'll ride together to PSU, so I know we will have fun, even if it is skipping college!! (or class)

Love You,  
Crystal Herring

Well Hi there,

Since I'm the first to sign it I guess that means I can sign it anywhere. I just don't know where to start. This has been about the best year of my life. I have had the most fun at DHS than at any other school I've been at. You + Crystal have been great. We've all have a good time this year in Mrs. McNair + Mr. Cabaro's rooms. Esp. Mrs. McNair. Right! I'll miss this school even though I've only been here 1 year. I'll miss Mr. Cabaro + me arguing. I'll even miss Mrs. McNair. (Now that's saying a lot) I'll definitely miss all the fun we've had. I hope you get everything out of life you want. Don't ever forget me.

Love You,  
Crickett.

Sorry it's  
so sloppy  
but you know I  
can't do no  
better!

You are a very, very, good friend. And  
you Better keep in touch or I'll torch, Nappa.  
And then you won't have any source of  
Income. But seriously take care. I'm

# Dedicatee

Mr. Ertle Smith who always has a warm smile and friendly greeting is a devoted educator. He believes that academics is a necessity in any student's life. A person has to cultivate his mind if he wants to get anywhere in this world.

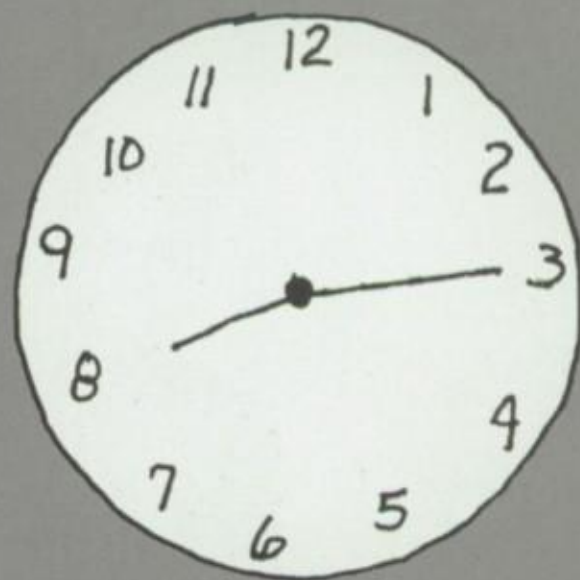

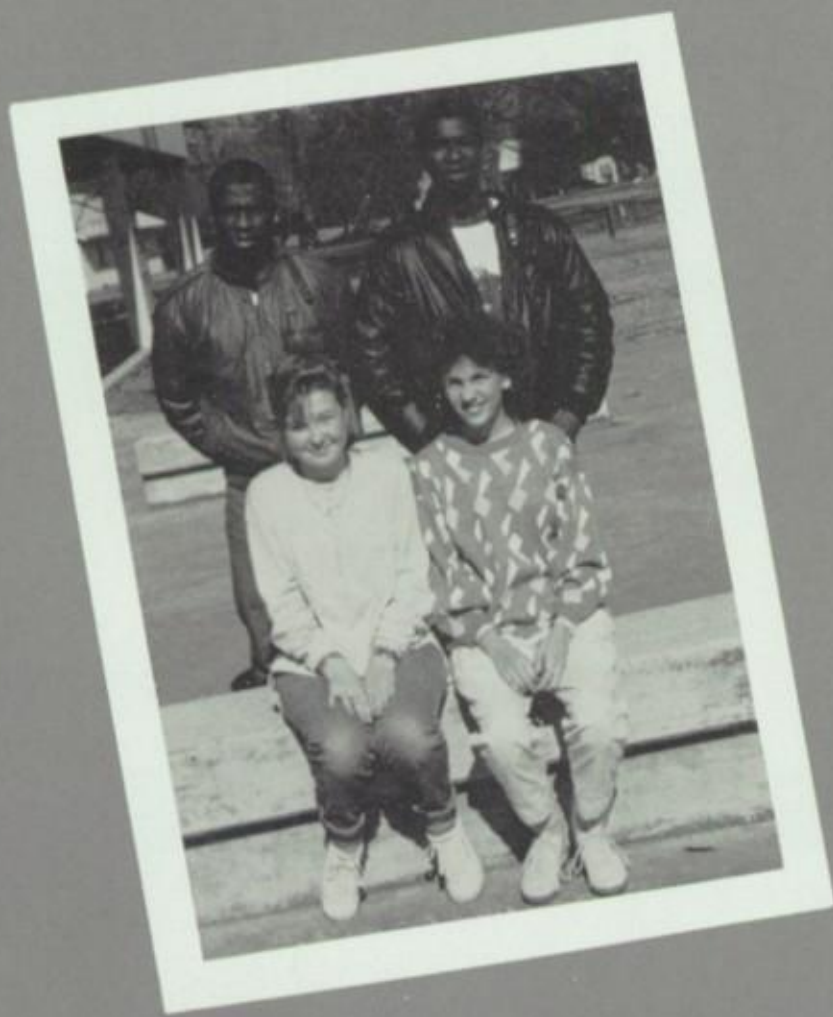

It is through these qualities that we, the Treasured Echoes Staff and the Senior Class, dedicate this 1987 yearbook to Mr. Ertle Smith.

# Cheerleaders

Cheerleaders are an unquestionable necessity that must be added to the agenda of nearly every sports activity. Because of the enthusiasm and spirit that accompanies any sport, some means of organization and leadership prove invaluable. Cheerleaders provide that organization and leadership. With their share of pep and enthusiasm, they have become as much a part of sports as the players themselves.

# Remarkable Performers

Led by Co-Captains Johnny Stackhouse, Billy Ray Locklear, and Brooks Oliver, varsity football had only one team with a winning record against the Raiders in conference play. The team's 9-1 is comparable only to last year's record. Coach Jay Lowery was pleased with the team's hard work and perseverance, two traits which characterized the Raiders.

# Varsity Cheerleaders

Spirit becomes infectious as this year's varsity cheerleaders spread enthusiasm throughout the student body and fans. With the support and dedication of the squad, it is not hard to understand why the school's football and basketball teams had such winning seasons.

"Come on Down"

The Lady Raiders opened the 1986-87 season under the leadership of **Coach Corky Hayes**. This was Coach Hayes' first year as head coach of the Lady Raiders. Led by captain Beth Wilkes, the team showed plenty of fight and hustle. Although this was not enough at times to win all of the games, they were the type of team that fought down to the last second.

The 1986-87 Raider basketball season began with an overwhelming feeling of anticipation. The team had been coming off one of its most successful seasons ever, going 26-1 in '85-86, setting a new school record for most wins in a season. Under the leadership of first year Head Coach Jay Lowery, the season began with a couple of losses; but when conference play began, the team was able to turn the tide. Following conference play and the Conference Tournament, the team moved on to become **Western Sectional Champions**. Heading into the Western Regional Tournament, the team was unable to post a victory against Cullowee, losing by only three points. With the season completed, the team looked back on a year that was filled with excitement and let downs. The number one scorer was Jeff Dudley with 452 points for the season. Michael Campbell was the number two scorer with 432 points. The team was proud that they had played a competitively strong season.

Look, everybody, There's a shooting star.

Look at the pretty birdie.

## Parent Teacher Student Association

Orrum High School has formed a local chapter of the Parent Teacher Student Association. It has 151 members. It is a member of the state and national organization. Its officers are made up of parents, teachers, and students. The PTSA plans to provide lockers for the Jr-Sr High. Hopefully fund-raising efforts next year will see this take place.

# Treasured echoes '87

This is the time to remember  
'Cause it will not last forever  
These are the days to hold on to  
'Cause we won't although we'll want to  
This is the time,  
But, time is gonna change  
I know we've gotta move somehow  
But, I don't want to lose you now.

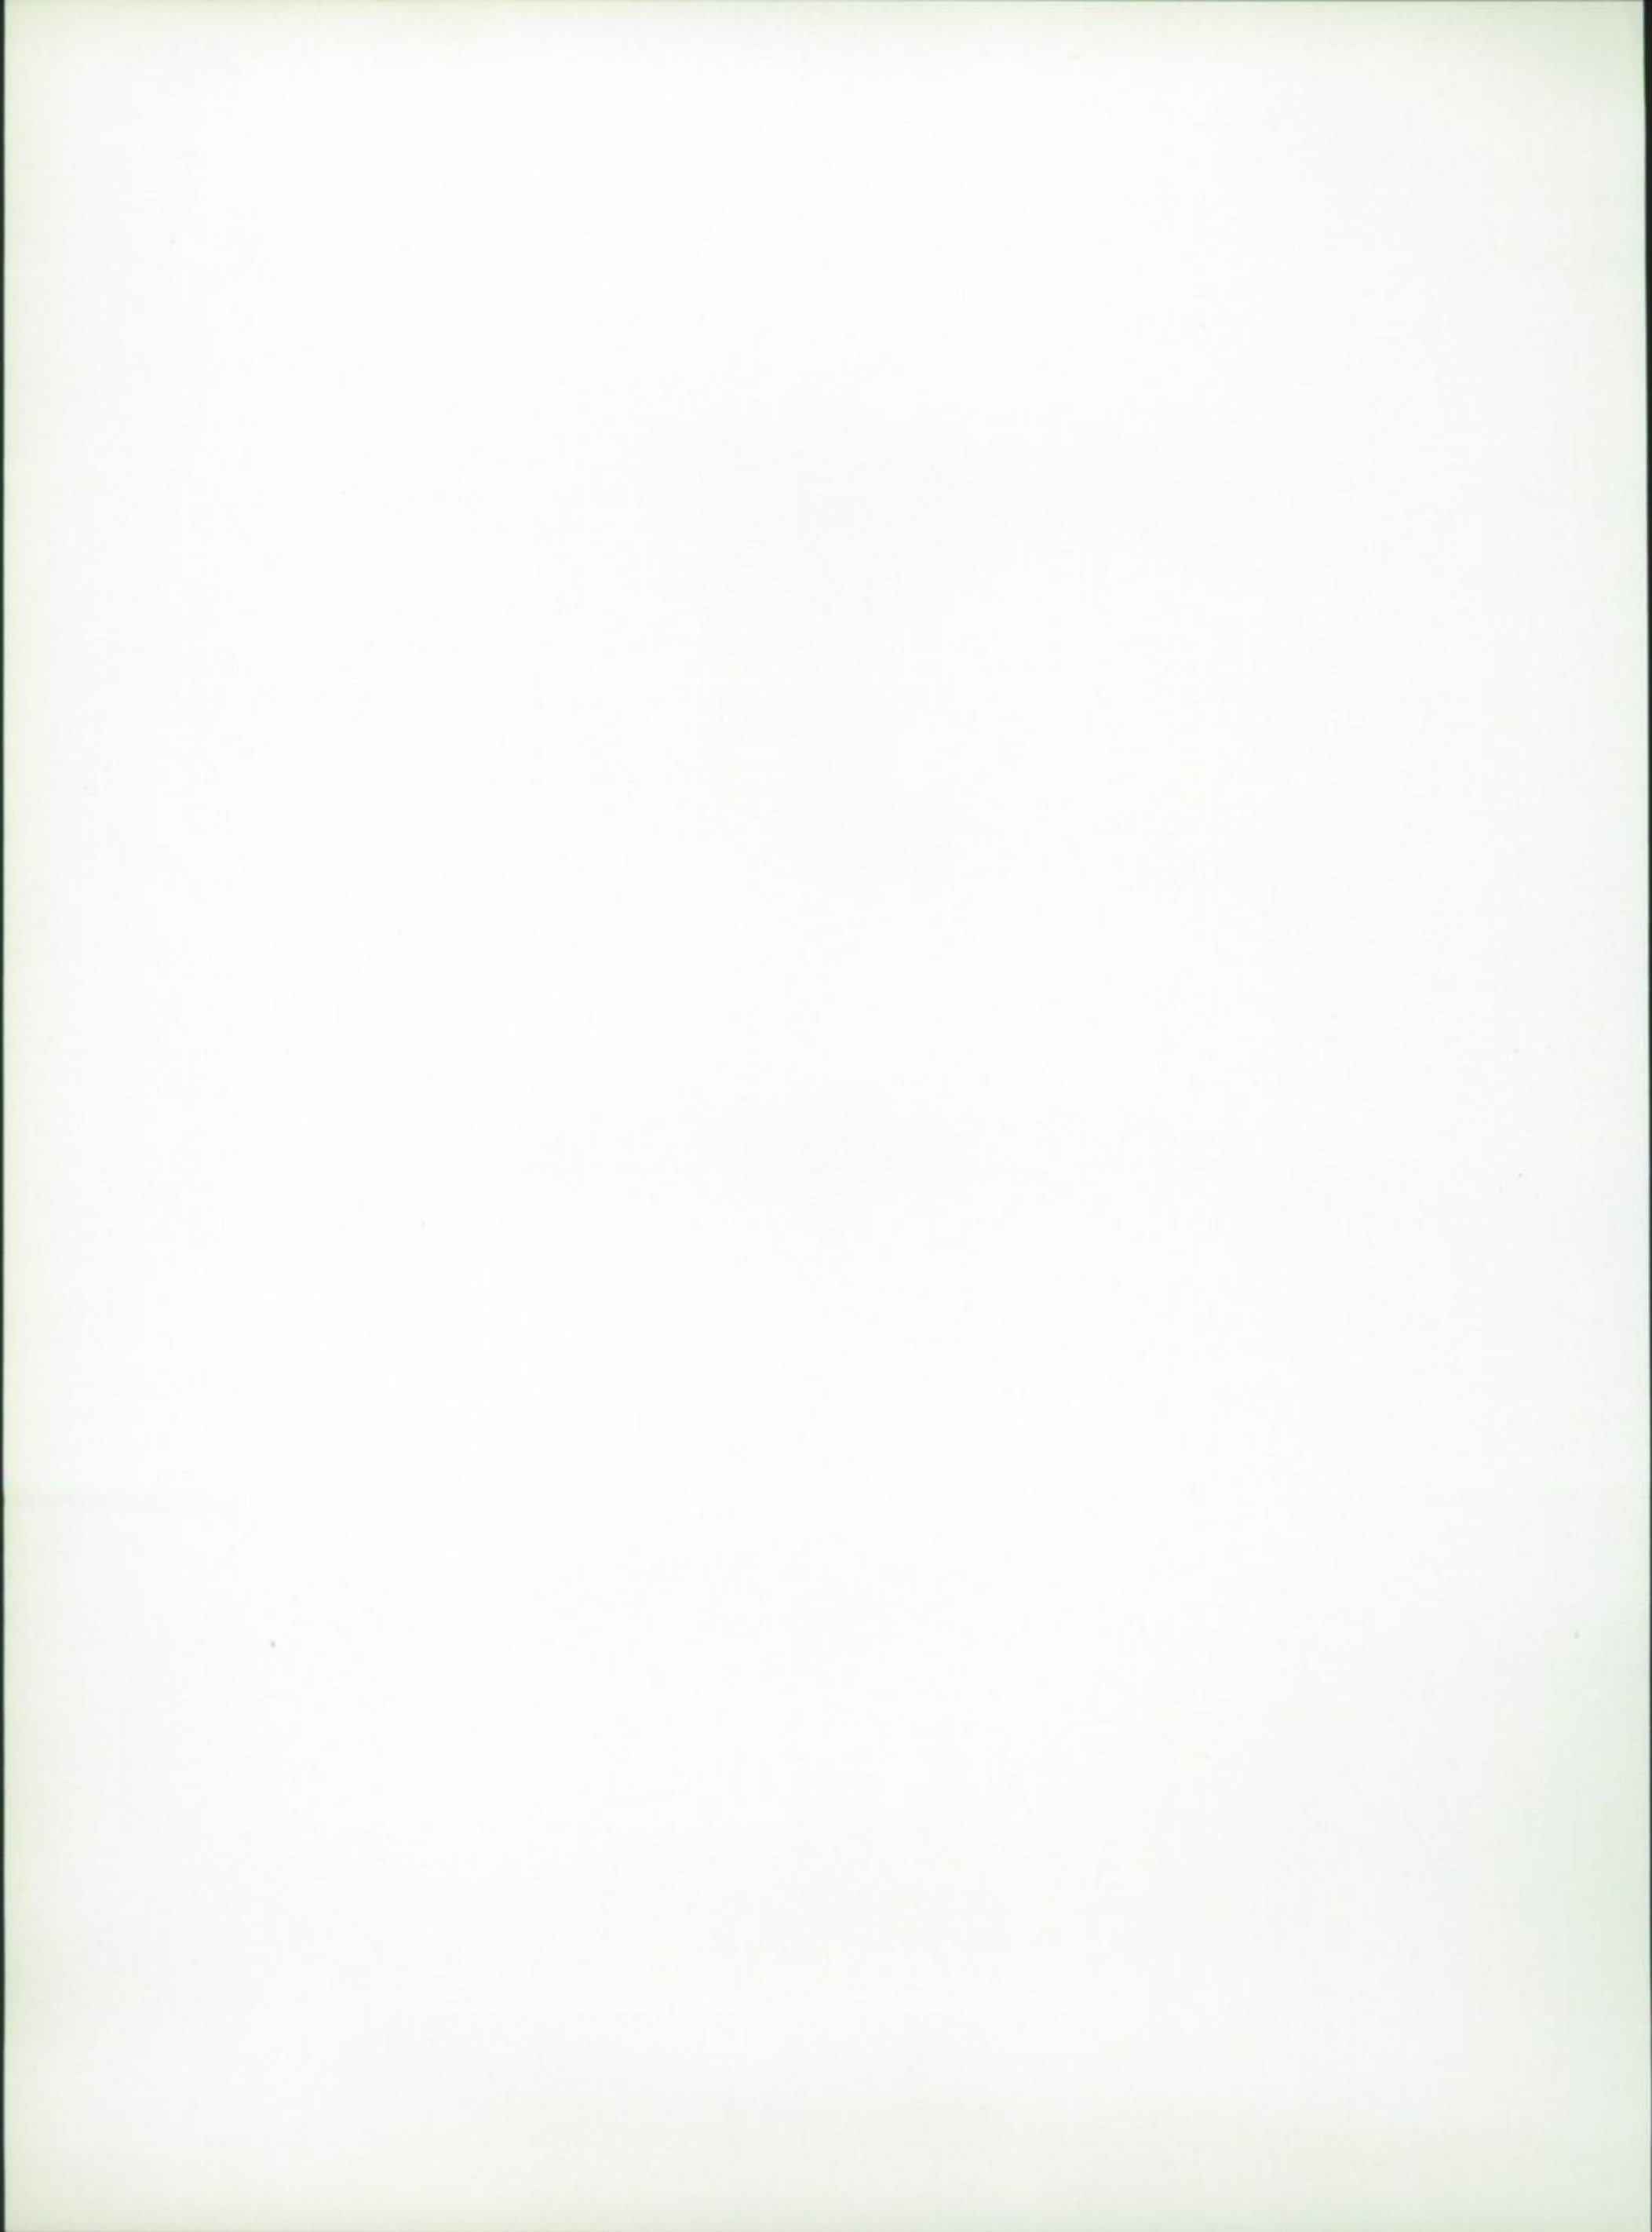

Sometimes it's so easy  
To let a day slip on by  
Without even seeing each other at all  
But, these are the times  
You'll turn back to and so will I  
And those will be days  
You can never recall

Billy Joel

Richard,

I don't really know where to begin. We've had a few wild times these past 3 1/2 months. We haven't really had a chance to talk or find out about each other. Since I've been here at OHS I have met a lot of nice people (some unfriendly ones too), and it's been wild. I figured that everyone would dislike me, I was wrong. I'll always remember prom night. (Especially when I dropped pizza on my dress and you made a remark). I'll also remember when you got in at me because I wouldn't keep your class ring, and kept dani's. Since you're leaving me behind, you better keep in touch. Come to the games next year. Stay sweet + crazy! New charge!

Richard,

Well, we're "SENIORS"! I must say that it's about time. Richard, I've known you since the ninth grade, we were good friends then and we still are. I want you to always remember ME and the good times we've had. Although we are going our separate ways let's keep in touch. I'll never forget you! Remain the kind person that you are and you will go far in life.

Richard,

What can I say to my brother? Do you like my change of pens? I hope so, because some angry person stole my black pen. Well, to start off with I'll say that we have had a lot of fun together through the years.

2-2-90 - Can you believe it has taken me this long to finish signing your arrival. Guess what my B-Day is tomorrow 2-3. Mike and I, and some friends will probably go to the beach and get drunk.

School sure was something else. I sure have some crazy memories of that place. But most of all I miss friends like you. I think you were one of my ~~closest~~ dearest and best friends. We shared a lot.

It's hard to believe where we are today. You are in the Navy and Mike and I tied the knot, but at least we are here and happy.

I guess I'll finish up by saying. Richard I love you and I hope we can always be the best of friends, know matter what happens.

(Maybe by the time I see you again there will be a little on the way.)

By good luck  
you touch  
brother

I Love Ya your sis
